Seasonal Fire Prevention Grant: Concow Phoenix Project believes that support for fire preparedness activities in Concow is critical at this time, with summer fire season approaching quickly. "Fire Prevention" grant awards are to be used for water delivery, clearing fire hazards or fireproofing dwellings. Please answer the questions below as fully as possible.

We're only accepting applications for fire prevention projects. Those who have already received a grant or shed are not eligible for this round of grants. Applications will be reviewed by Concow Phoenix Project according to standardized, objective criteria. Grants are awarded in the form of store credit. Application for a grant does not guarantee that a grant will be awarded.
